

We know it is often difficult making the decision to adopt. We pray that God will send the families to us that were in his plan from the beginning. We hope that knowing more about us will help you as you seek God's plan for you and adoption.

- AH is distinctively Christian.
- Our staff is comprised of social workers and counselors who have had more than 25 years experience.
- We were founded in 1990 and have placed almost 400 babies in two-parent homes.
- We are a Christ-centered ministry that strives to represent God's love in all that we do.
- We become personally involved with our birthmoms and adoptive families.
- We offer lifelong post-adoption counseling to birth families, adoptive families and adoptees.

Most pregnant women often consider adoption because they are putting their baby's needs ahead of their own. It is our mission to connect these women who are ready and willing to make this life giving decision with a loving and committed adoptive family.

We believe that our personal involvement defines us and helps facilitate successful adoptions.
