The Women's Care Center

2018 annual report

a note from the director

My Dear Friends,

I can't tell you what a blessing it is to be serving the Lord here in this position! Over the last 15 years I have had the privilege of watching the Lord grow this ministry from a volunteer-only, part-time effort into a flourishing full-service medical clinic.

God is doing a great work here through the staff and friends of our center and I want to personally thank each of you who has partnered with us to make this possible. Nothing gives me more joy than to see the look of love on a young woman's face when her baby, once considered a "mistake" or a "problem" has become the light of her life. The gift of hope we share with these women is nothing short of a miracle.

Your commitment and sacrifice make this ministry possible. Never has our world needed to be see God's love demonstrated more desperately than it does today. We have the opportunity to be the hands and feet of Jesus, helping those around us in very practical ways.

Thank you for supporting us as we reach out with hope and love in the name of Jesus Christ!

In His Service,

Mary Martin
