FILL A BOTTLE FOR LIFE

For the creation waits in eager expectation
for the children of God to be revealed.

Romans 8:19

YOUR CHANGE WILL CHANGE LIVES

By filling a bottle you are helping us to accomplish our mission to encourage parents to discover what creation already knows. We want to help them reach for the star rather than watch it disappear in the night. It is our purpose to let them know the love of the Creator of the universe and that He has a purpose for them as well as this precious little life.

Baby Bottle Insert

Nature recognizes the sacredness of the miracle hidden away in a woman's womb. It holds its breath in the hopes of hearing the baby draw its first. The face of this child is yet to be revealed to the outside world, but all of creation knows it bears the image of God.

WE NEED YOUR HELP

Our mission is to help parents discover what creation already knows. We want to help them reach for the star rather than watch it disappear in the night. It is our purpose to let them know the love of the Creator of the universe and that He has a purpose for them as well as this precious little life.

SOME OF OUR RESOURCES INCLUDE:

- Ultrasound programs
- Counseling
- Education and support programs
- Men's ministry

We are unable to help men and women explore this miracle of life without your support. Whatever gifts God has given you, we can use to glorify Him. Won't you join us in our efforts?
