*Together
for Life*

When God's people come together, amazing things happen!

What can you do in the fight for life? It may not seem like much on your own, but when you come together with like-minded believers in unity and prayer, there is nothing we can't accomplish.

By filling a bottle with check, bills and spare change you are helping us provide services that will make an eternal impact. The money raised will support the life changing work of meeting the physical and spiritual needs of men and women who find themselves facing an unplanned pregnancy.

By joining with us, you are also reaching out to thousands of students through our education programs, making abortion recovery counseling available, providing STD testing, ultrasounds, supplies and education to the mothers and children served through various mentoring programs.

We can't continue to provide these services without your help. Will you partner with us in this simple way to save lives?
