Fill a bottle
FOR LIFE!

What can you do in the fight for life? What can your spare change accomplish? It doesn't take much to make a big difference!

By filling a bottle you are helping us imagine the adventures the lives that have been touched and saved through the ministry of our center will have! Money raised in our baby bottle campaign will support the life changing work of meeting the physical and spiritual needs of men and women who find themselves facing an unplanned pregnancy.

You are also reaching out to thousands of students through our education programs, making abortion recovery counseling available, providing STD testing, ultrasounds, supplies and education to the mothers and children served through various mentoring programs.

We can't continue to provide these services without your help. Will you partner with us in this simple way to save lives? Just pick up a bottle after the service today. Fill it with change, bills, or checks and bring it back to the church on the collection date.
