*Fill a Bottle for Life!*

## Bulletin Insert

What can you do in the fight for life? What can your spare change accomplish?  
It doesn't take much to make a big difference!

By filling a bottle, you are helping us recognize the beautiful lives that have been touched and saved through the ministry of our center. Money raised in our baby bottle campaign will support the life changing work of meeting the physical and spiritual needs of men and women who find themselves facing an unplanned pregnancy.

You are also reaching out to thousands of students through our education programs, making abortion recovery counselling available, providing STD testing, ultrasounds, supplies and education to the mothers and children served through various mentoring programs.

We need you. We can't continue to provide these services without your help. Will you partner with us in this easy way to make a change?

Just pick up a bottle after the service today. Fill it with change, bills, and checks and bring it back to the church on the collection date.

A baby wearing a yellow shirt and a brown aviator hat with goggles is sitting in a woven hot air balloon basket. The basket is suspended by white ropes from a large, colorful hot air balloon with green, red, and yellow sections. A small orange and white pinwheel is attached to the basket. The background is a light blue sky with white clouds and a large, faint, stylized number '1' in the background.
