

Every bottle

has a story...

What will your  
bottle do?

# What will your bottle do?

Sometimes it doesn't take much to make the difference between despair and joy. Many women walk through our doors thinking their unexpected pregnancy will ruin their lives. After seeing their baby on an ultrasound screen, many of those same women shed tears of joy.

Our ultrasound and counseling services are offered free of charge to anyone who needs them. That's why your bottle of change, bills and checks can make such a difference. We can't keep our doors open, train our staff or even turn on the lights without your support.

## What will your bottle do?

Provide an ultrasound?

Pay the electric bill?

Buy diapers for a struggling family?

Filling a bottle helps fund the Women's Resource Center so that we can save the lives of the unborn and meet the physical and spiritual needs of men and women who find themselves facing an unplanned pregnancy.
