A NOTE FROM THE EXECUTIVE DIRECTOR

Dear Friend,

Thank you for being here tonight to celebrate and partner with us in this life-saving work. Nothing we accomplish would be possible without your help.

Your support allowed us to minister to 72 women and men, welcome 12 babies to life over the course of 349 visits, and present the abstinence message to approximately 750 students. Just imagine what we can do over the course of the next year as we strive to reach above and beyond the past.

We come together tonight to celebrate. We rejoice in the lives saved, the women, men, and students served, and you—the generous souls—that facilitate this work of God. Please prayerfully consider joining in the amazing work God has called us to do as we move forward to promote LIFE and life more abundantly through Jesus Christ (John 10:10).

Thank you again for your prayers and financial support. Please drop by anytime to schedule a tour of the Center. We would love to show you first hand what your support allows us to accomplish.

In His Service,

Cathy Coker

TONIGHT'S SPEAKER: GIANNA JESSEN

Gianna Jessen is a beautiful, bubbly, talented young lady whose singing and testimony have delighted, moved, and inspired audiences worldwide. In 1977, Gianna was scheduled for an appointment with death. Because her mother was already in the 24th week of her pregnancy, the abortionist opted for the saline method. The doctor injected a saline (salt water) solution into the amniotic fluid surrounding baby Gianna. In this type of abortion, the caustic, toxic saline solution slowly poisons the baby while burning her tender skin. Gianna was supposed to be delivered dead the following day.

But, Gianna was born alive, though small, premature, badly burned and injured from the saline abortion. A nurse rushed her from the abortion clinic to a hospital, where she spent the first three months of her infancy. She was then placed with a foster family specializing in high-risk babies.

Since she discovered the truth about her birth, Gianna has been a highly effective champion for the pro-life cause. With an angelic singing voice, a winning personality, and a uniquely compelling and heroic survival story, she has dramatically impacted audiences worldwide.
