From The Director

It has been a wonderful experience being here these past ten years as the Executive Director and seeing God's hand upon His ministry. It takes all of us being obedient to Him to allow these services to continue to grow and expand as only He can plan. We thank you all for how you bless SMPCC in your own special way. You are an important part of our family. *"Though a body has many pieces, all its many glorious pieces form a glorious mosaic."* 1 Corinthians 1:12 (Paraphrased) We pray the Lord will return the blessings that you share with SMPCC upon you tenfold.

Mike Williams

Mike G. Williams and his family serve in the Dominican Republic directing a mission touching the lives of trafficked girls and feeding those living in a garbage dump. In his professional life he has recorded numerous comedy projects and written fourteen books. To help marriages he wrote *Men Moved to Mars When Women Started Killing the Ones on Venus*. Believing that today's teens (13-19) need help in mating he wrote *Love Is NOT A Three Letter Word*. *Awaken the Mighty Men* was written to encourage men in the sanctity of life movement and *Shut Up Get In the Jeep and Let Me Drive* is the story of Mike's own call to the mission field. His latest book *The Whatever Life Hack* is a must read. He is heard daily on the SiriusXM's Laugh USA. His personal adoption story and the rescue and subsequent adoption of his son will move you to joy.
