# nce Upon a Time

a story of life

nce upon a time...

someone made a choice that would change her life forever.

Every day women and girls come to our center facing life-changing choices. Their decisions will affect their lives and the lives of their children forever.

You can make a choice that will change her story. By giving of your time, your talents and your money, you can help her to make life-affirming choices.

When her story takes an unexpected turn, our center can help her write a happy ending. We offer free pregnancy tests and hope and encouragement from trained volunteers.

Everyone can be a part of the story.
