Life  
SAMPLE

God's love reaches out to each individual of any race or religion, born or unborn. Partner with us to save the lives of unborn children as we reach out to hurting women who are facing a pregnancy they are not prepared for and offer them the hope Jesus Christ and a helping hand. We provide free pregnancy testing, a 24-hour Helpline, confidential counseling, baby and maternity clothing and equipment, and accurate information.

Please call us today for more information about how you can be involved in this vital ministry.
