

In the image of God

Sanctity of Human Life Sunday 2008

“So God created man in his own image, in the image of God he created him; male and female he created them.” ~ Genesis 1:27

God has placed great value on the lives of the unborn. Scripture tells us that nothing is more valuable than the human soul. Will you help us protect these vulnerable images of God?

Each life is worth protecting and our mission is to see that every young woman facing an unplanned pregnancy has access to the information and resources she needs to make an informed decision.

Please prayerfully consider what God would have you do to help:

- Office Volunteer
- Counselor Training
- Donate supplies
- Donate Funds
- Donate Services
- Be a Church Liaison
- Walk For Life
