At the Pregnancy Support Center, we desire to minister God's love to the mother, the father, the baby, and the extended family. Just as God loves each person no matter their age, race, past mistakes, or current situation, the Pregnancy Support Center staff and volunteers seek to show God's love. We show love to the unwed pregnant teen, the woman hurting from a past abortion, the family in need of diapers, the man who longs to be a good daddy to his newborn, and many others.

The Pregnancy Support Center offers assistance by providing free pregnancy tests, limited ultrasound services, parenting education, material assistance, post-abortion peer counseling, Bible studies, and much more.
