CUMBERLAND PREGNANCY
CARE CENTER
2018 Annual Report

My Dear Friends,

I can't tell you what a blessing it is to be serving the Lord here in this position! Over the last 15 years I have had the privilege of watching the Lord grow this effort from the basement of one of our board members into a thriving ministry with three locations around the county!

God is doing a great work here through the staff and friends of our center and I want to personally thank each of you who has partnered with us to make this possible. Nothing gives me more joy than to see the look of love on a young woman's face when her baby, once considered a "mistake" or a "problem" has become the light of her life. The gift of hope we share with these women is nothing short of a miracle. That hope comes from the truth found in Jeremiah 29:11, "For I know the plans I have for you," declares the Lord, "plans to help you, and not to harm you; plans to give you a hope and a future."

Never has our world needed hope more than it does today. We have the opportunity to be the hands and feet of Jesus, helping those around us in very practical ways. We have the opportunity to share a life-affirming, hope-giving message with a group of people who may never step inside the doors of any church.

Thank you for supporting us as we reach out with hope and love in the name of Jesus Christ!

In His Service,

Mary Martin, Executive Director

CLIENT TESTIMONY

After being recently divorced, Jenna* decided to go back to college to finish her degree. Shortly after graduation she found out that she was pregnant. Thinking abortion was her only choice, Jenna* came to Choices looking for abortion information. Already a single mom, she didn't know how she could afford another baby and those close to her were encouraging her to have an abortion. After visiting Choices and receiving a sonogram, encouragement and much needed support she eventually cancelled her appointment for the abortion procedure and said "Yes to life!" After baby Claire* was born she said, "When I first found out that I was pregnant, I couldn't stop crying. Now that she is actually here, I can't stop smiling! I am so glad she's here. I can't imagine my life without her."
