

Client Story: Jenna

After being recently divorced, Jenna* decided to go back to college to finish her degree. Shortly after graduation she found out that she was pregnant. Thinking abortion was her only choice, Jenna* came to Choices looking for abortion information. Already a single mom, she didn't know how she could afford another baby and those close to her were encouraging her to have an abortion. After visiting Choices and receiving a sonogram, encouragement and much needed support she eventually cancelled her appointment for the abortion procedure and said "Yes to life!" After baby Claire* was born she said, "When I first found out that I was pregnant, I couldn't stop crying. **Now that she is actually here, I can't stop smiling! I am so glad she's here. I can't imagine my life without her.**"

"I felt very comfortable during my visit. This clinic is a very non-judgmental facility. I would definitely recommend them to a friend if it was brought up!" - **Amber**

"I'm so glad I found this place. The whole experience – great people who took time to really listen – was great!" - **Kayla**

"Everyone was really helpful and kind. I did not feel like a number." - **Sharona**

"I felt respected." - **Jake**

Annual Report

2017-2018

From the Executive Director

Dear Friends,

Each year I have the privilege of praying and asking the Lord for His direction and vision for the coming year. This year through a variety of circumstances He placed the word "BIG" in front of me. What does that mean and how will that impact our vision for 2016? Thinking about it along with the passage, "Now to Him who is able to do far more abundantly beyond all that we ask or think, according to the power that works within us, to Him be the glory in the church and in Christ Jesus to all generations forever and ever. Amen." Ephesians 3:20-21, I believe He is entrusting us with even BIGGER things this coming year.

Looking back over the years we have already seen God do BIG things! This year we are simply asking Him to continue to be at work in BIG ways in our patient's lives so that they can trust Him in a BIGGER way! We are praying for BIG things to happen like adding a second new mobile clinic, seeing a BIGGER number of abortion determined clients, and adding more medical services such as prenatal care which is such a BIG need!

In order to do these BIG things, we need community partners who will connect with us in BIG ways - prayerfully, financially, and getting involved as volunteers. We cannot do it alone, and the good news is that we don't have to do it alone; we serve a BIG God along with you.

If you are already partnering with us we want to thank you and hope that you are encouraged as you see a snapshot of the amazing things He has done in the past year.

If you are new to Choices and looking for a place to be involved where God is already at work in a BIG way, we ask that you consider partnering with us today. Together we'll see lives saved, and women's, men's and family's lives truly transformed. To God be the glory!

Because every life matters,

Keri Muir
