# WE WALK WITH FAITH & VALOR

The fight for **LIFE** grows more intense every day. We need a community willing to fight along side us with **FAITH** and **VALOR**.

Our Creator had given each individual a sacred gift of immeasurable worth. We work toward a day when every child will know they are loved and valued. We believe the promise that our work is not in vain.

Our ultrasound service lets them see the undeniable evidence of life being knit together in the womb. Our abortion recovery program helps to heal deep wounds through grace and forgiveness. Our education and support programs provide physical and practical help in difficult times. Our men's ministry programs help new and expectant dads become effective fathers.

Each life is precious and worth defending.
