*Baby Bottle Campaign*

# Insert

Every life is lovingly created and anointed by God, sustained by His presence and wrapped in His unfailing love. We long to share this truth with every woman facing an unexpected pregnancy and every man unsure of the road ahead—that they are not walking alone, but are met by a God who pours out care, provision, and hope.

These bottles serve as a tangible expression of that anointing—reflecting God's love for parents and their new baby, and reminding them that when we abide in Christ, His love overflows to meet every need. When you fill a bottle, you become part of that outpouring, helping provide the vital resources that minister to families in both practical and life-giving ways. Will you join us in anointing families with hope and love?
