Help Save
Lives

BY FILLING A BOTTLE

It doesn't take much to make a change!

By filling a bottle you are helping us recognize the beautiful lives that have been touched and saved through the ministry of our center. Money raised in our baby bottle campaign will support the life changing work of meeting the physical and spiritual needs of men and women who find themselves facing an unplanned pregnancy.

What can you do in the fight for life?

As we hand out baby bottles across the county today, we ask of you to fill them with more than just your spare change. Every time you add money to this bottle, ask God how you could be a part of our ministry. Could you spend your time volunteering, providing a service or good that's needed, or just commit to pray for our ministry on a regular basis?

What can your spare change accomplish?

- \$20keeps the phone lines open for one frightened caller
- \$40 provides a pregnancy test and counseling for one client
- \$65provides an ultrasound for one client
- \$175insures our doors are open for one day
- \$500 provides abstinence education to 50 students

Just pick up a bottle after the service today. Fill it with change, bills, or checks and bring it back to the church on the collection date.
