

CELEBRATE

GOING MOBILE!

Fill a Bottle for Life!

What can you do in the fight for life? What can your spare change accomplish? It doesn't take much to make a big difference!

By filling a bottle you are helping us reach our goal of going mobile! We want to be able to reach out to all the women and men in the area that need our help.

You are also reaching out to thousands of students through our education programs, making abortion recovery counseling available, providing STD testing, ultrasounds, supplies and education to the mothers and children served through various mentoring programs.

We can't continue to provide these services without your help. Will you partner with us in this simple way to save lives? Just pick up a bottle after the service today. Fill it with change, bills, or checks and bring it back to the church on the collection date.
