A NOTE FROM THE EXECUTIVE DIRECTOR

Dear Friend,

Thank you for being here tonight to celebrate and partner with us in this life-saving work. Nothing we accomplish would be possible without your help. Your support allowed us to minister to 72 women and men, welcome 12 babies to life over the course of 349 visits, and present the abstinence message to approximately 750 students. Just imagine what we can do over the course of the next year as we strive to reach above and beyond the past.

We come together tonight to celebrate. We rejoice in the lives saved, the women, men, and students served, and you — the generous souls — that facilitate this work of God. Please prayerfully consider joining in the amazing work God has called us to do as we move forward to promote LIFE and life more abundantly through Jesus Christ (John 10:10).

Thank you again for your prayers and financial support. Please drop by any time to schedule a tour of the Center. We would love to show you firsthand what your support allows us to accomplish.

In His Service,

Cathy Coker

GUEST SPEAKER, ABBY JOHNSON

Abby Johnson has always been fiercely determined to help women in need. This desire is what led Abby to a career with Planned Parenthood, our nation's largest abortion provider, and caused her to flee the organization, becoming an outspoken advocate for the pro-life movement.

Planned Parenthood did not take Abby's departure sitting down. The organization is fully aware the workers who leave are their greatest threat. They took immediate action to silence Abby with a gag order and brought her to court. The lawsuit was quickly seen as the sham it was and it was ultimately thrown out of court.

Today, Abby travels across the globe sharing her story, educating the public on pro-life issues, advocating for the unborn, and reaching out to abortion clinic staff who still work in the industry. She is the founder of And Then There Were None, a ministry designed to assist abortion clinic workers in transitioning out of the industry. To date, this ministry has helped over 430 workers leave the abortion industry. Abby lives in Texas with her husband and seven precious children.
