## Program

### who we are

We exist to share the love of Christ while promoting sexual integrity and bringing life-affirming services to those unprepared for pregnancy or hurt by abortion.

The free, confidential services we provide include:

- Pregnancy Tests
- Options Counseling
- Sexual Integrity Education
- Prenatal & Parenting Classes
- Abortion Recovery
- Referrals for Medical & Community Services
- Material Assistance

### a note from the executive director

Dear Friend,

Thank you for being here tonight to celebrate and partner with us in this life-saving work. Nothing we accomplish would be possible without your help.

Your support allowed us to minister to 72 women and men, welcome 12 babies to life over the course of 349 visits, and present the abstinence message to approximately 750 students. Just imagine what we can do over the course of the next year as we strive to reach above and beyond the past.

We come together tonight to celebrate. We rejoice in the lives saved, the women, men, and students served, and you—the generous souls—that facilitate this work of God. Please prayerfully consider joining in the amazing work God has called us to do as we move forward to promote LIFE and life more abundantly through Jesus Christ (John 10:10).

Thank you again for your prayers and financial support. Please drop by any time to schedule a tour of the Center. We would love to show you firsthand what your support allows us to accomplish.

In His Service,  
Cathy Coker

### guest speaker: gianna jessen

Jessen was born April 6, 1977 in Los Angeles, California. Her medical records indicate that she was born in the 30th week of pregnancy to a 17-year-old girl during a failed saline abortion. Jessen's birth certificate is signed by the doctor who was performing the abortion. Jessen weighed 2 lbs at birth, and she was born with cerebral palsy, a motor condition that affects various areas of body movement. She describes it as a "tremendous gift." Jessen spent three months in the hospital before being placed in foster care. She was adopted at the age of four.
