**You have more options  
than you think.**

→  
**Take the first step:**

➔ confirm the pregnancy

➔ explore ALL of your options

➔ make your decision together

It may legally be her choice, but it's not a choice she wants to make alone. Plus, this decision will effect your life, too.

Your opinion matters - more than anyone else in her life.

We can help you find information on all the options.

All services are **Free & Confidential:**

- Pregnancy Testing & Verification
- STD/STI Testing & Treatment
- Options Counseling
- 24-Hour Help Line
- Abortion Recovery Support
- Mentoring Programs
- Community Referrals

Get the facts before you help her make this important decision.

**JUST BE THERE:**  
She needs you now more than ever.

You don't have to know all the answers – just let her know you're in this together.
