HAPPY
father's
DAY

**“...THE GLORY
OF SONS IS THEIR
FATHERS.” PROVERBS 17:6**

A good father makes all the difference in a child's life. He possesses the strength to hold the family up, to support the them so they don't fall, and provides the discipline that gives his children character.

With your help, we've been able to show the men who come to our center that they are capable of being the father their unborn child needs. Even when they start to doubt themselves, we can point them down the path the Lord calls them to.
