a story of Thanks

HAVE A

MARVELOUS

Thanksgiving

It's been another marvelous year at our center. Although we have experienced challenges, God has graciously seen us through and has brought us to this time of gratitude. We have many reasons to praise Him - including you! Thank you for helping us show women and men that each life is precious and *marvelously made*. We couldn't do it without you.

Happy Thanksgiving!

FROM THE BOARD AND STAFF OF
THE HOPE CENTER
