IT'S A
wonderful
christmas

**But Mary treasured up all these things
and pondered them in her heart.**

— *Luke 2:19 (NIV)*

Imagine... Mary's wonder as she held her baby boy
for the first time. Her pregnancy with Him was unexpected,
and the stable was not an ideal location for her to give birth.
Yet, we read she was captivated with the bundle in her arms.

Because of you and your involvement,
mothers and fathers who have come to our center seeking
help will be holding their own bundles this Christmas.
Thank you for enabling these families to share in the
wonder of Christmas together.
