“I am the

*Light* of the  
*World...*

...Whoever follows me will never walk in darkness, but will have the light of life."

The lights of Christmas started with the star that shown over a newborn in a manger. When Jesus chose to step out of heaven and into our dark world, His love shown brighter than the angels who sang His praises.

His love still holds the power to scatter the darkness that creeps into our lives, and many of our clients have discovered this to be true because of you. Thank you for your participation in our ministry and for sharing His light.

*Merry Christmas!*
