Each name is a *life saved*
by our growing ministry this year.

Marvelous hardly describes the first Christmas. The perfect Son of God stepped down from heaven and came into our broken world to give us the greatest gift of all: the ability to share eternity with God Almighty, completely free from the pain of sin.

This Christmas, we want to thank you for supporting us throughout the year and helping us share God's love and grace with everyone who has come through our door. Thank you for helping them have a

Marvelous Christmas!
