HE CALLED HER

LUKE 1:28

He called her

**“GREETINGS, YOU WHO
ARE HIGHLY FAVORED!
THE LORD IS WITH YOU.”**

This Christmas, as we reflect on the miraculous story of Christ’s birth, we are reminded of the moment Mary was called *favored*—chosen, cherished, entrusted with life.

Because of your generous heart, mothers walking through uncertain seasons are reminded they, too, are seen, loved, and called favored by the One who gives life and hope.

Thank you for partnering with us to stand beside women, celebrate the lives of their children, and support families in need of care and compassion. Your giving lights the way for countless stories of courage, redemption, and joy.

Merry
CHRISTMAS
