is the song
everyone should have a chance to sing

Sing a new song to the Lord,
for he has done marvelous things.

Protect the *Sanctity of Life!*

Everyday, thousands of women face a crisis – an unwanted pregnancy. They feel unloved and alone.

Everyday, thousands of fathers are faced with crippling fear of the future. They are afraid to act and sometimes feel powerless. They, too, feel unloved and alone.

Everyday, thousands of babies are denied the chance to live and to be loved. These babies are powerless and have no voice.

We need you to be an advocate for life, to stand up for those who cannot, and to be present to those who desperately need love and support. If given the chance and the resources, who knows the places they'll go?
