BREAKING NEWS!!

The Sanctity of Human Life Is being challenged in our country and world.

- Some states now allow people to choose the time and method of their death.
 - The number of murders continues to soar.
 - Every single minute **80** abortions occur worldwide.
- While the 'death culture' is so prevalent among us, the GOOD NEWS is there is HOPE. Our local Pregnancy Care Center has seen many babies saved over the years from the tragedy of abortion and the lives of mom's changed forever.

"And then he told them, Go into all the world and preach the Good News to everyone." – Mark 16:15

GOD'S PEOPLE WORK TOGETHER

The lights come on and rent is paid on time, thanks to our financial donors. The center is clean, organized, and ready to serve, thanks to our behind the scenes volunteers. Our closet is stocked with supplies, thanks to donations from individuals and our local churches.

The questions of a desperate boyfriend will be answered because our volunteer receptionist is there to connect him to a peer counselor who knows what he is going through. A woman finds her way to our center after picking up a card or brochure that was paid for with funds raised by local community members who participated in one of our fundraising events.

Women are making the decision for life because they see that there is a place that will give them the support they so desperately need to be able to make this decision.

None of this is possible without your help.
