

Love Life

Every day thousands of women are faced with a choice - an unwanted pregnancy. They feel unloved and alone. That choice may be the hardest thing that they will ever face.

At pregnancy resource centers across the nation, these women can find the love and answers they seek. They receive up-to-date information so that they can make an informed decision. They find a non-judgemental environment of compassion, a place where they can voice their concerns and seek out the love of Jesus Christ.

"Hereby perceive we the *Love*
of God, because he laid down his *Life*
for us: and we ought to lay down our lives for the brethren."
— 1 John 3:16
