

Little ones TO HIM BELONG;

THEY ARE WEAK BUT

He is

STRONG.

PROTECT THE sanctity  
OF HUMAN LIFE

“Be STRONG in the Lord and in His mighty power.”  
EPHESIANS 6:10

Between the Roe v. Wade decision in 1973 and 2011, nearly 53 million legal abortions had occurred in the United States alone. Abortion is the leading cause of death in our nation - not just in infants, but in the entire U.S. population. Abortion can seem like an insurmountable evil - a problem against which we have little power to fight.

Fortunately, no problem is too big for our God, and there is hope. The past several years of data have showed a decrease in the overall number of abortions, and more and more abortion

clinics are being forced to close their doors. According to *Time*, “Recent estimates indicate there are now more than five times as many CPCs [Crisis Pregnancy Centers] in the U.S. as there are abortion clinics.”

Through the grace and strength of Jesus Christ and with the help of dedicated volunteers, donors, and prayer warriors like you, our center is doing its part to turn the tide towards LIFE. Please consider how He is calling you to speak for the voiceless and defend the helpless.

THROUGH HIM WE  
can be  
STRONG  
FOR LIFE.
