PROTECT THE SANCTITY OF HUMAN LIFE

SOHL Brochure Back

Every day thousands of women are faced with a choice - an unwanted pregnancy. They feel unloved and alone. That choice may be the hardest thing that they will ever face.

At Loving Arms Crisis Pregnancy Center, we offer these women the love and answers they seek. We give them the most up to date information so that they can make an informed decision. We offer them a non-judgemental environment of compassion, a place where they can come to voice their concerns and to seek out the love of Jesus Christ.

God gave us the gift of life, because it truly produces hope in our lives. As we care for our clients, fear is lifted and the true abundance of God's grace begins to shine in their lives.

We need your help in this fight to protect lives.

Between the Roe v. Wade decision in 1973 and 2011, nearly 53 million legal abortions had occurred in the United States alone. Abortion is the leading cause of death in our nation - not just in infants, but in the entire U.S. population. Abortion can seem like an insurmountable evil — a problem against which we have little power to fight. But with your help, we can enable women and men facing a pregnancy decision to discover hope and choose life!
