Nothing is unplanned to God.

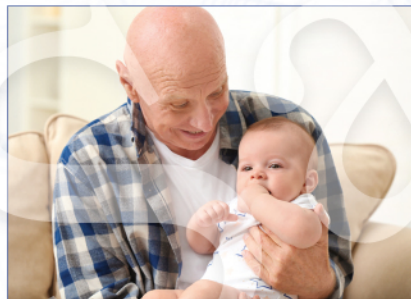

The God of the universe makes no mistakes. Each person was known and planned before creation.

God crafts each unborn child with care and detail. Not a single hair or chromosome is outside the plan He has for that precious new soul. But the value of life is under attack. We have the truth of God's word to share with those who are struggling to see the value in their own life as well as that of their unborn child.

Men and women struggling to see life beyond an unplanned pregnancy can find hope in the love of God. Our ultrasound lets them see the new life being knit together while hidden in the womb. Our abortion recovery program helps to heal deep wounds through grace and forgiveness. Our education and support programs provide physical and practical help in difficult times. Our men's ministry programs help new and expectant dads find their way.

While He may not hand us the blueprints, we know that His plan is for our good and for His glory.

We depend on our supporters to help us stay on track. Whatever gifts God has given – use them for His glory.

*"The counsel of the Lord stands forever,
the plans of His heart to all generations."
– Psalm 33:11*
