WE HAVE THIS HOPE AS AN ANCHOR FOR
THE SOUL, FIRM AND SECURE.

Navigating a sea isn't for the light of heart. It demands a determination stronger than the winds and waves that try to force a boat's direction. Without having the proper guidance, it is all too easy for travelers to become lost at sea.

An unplanned pregnancy is similar to a storm at sea. It disorients the parents-to-be, confusing them on where they should go and what they should do. It is easier for them to look at their surroundings and decide the waves aren't worth braving.

We offer these clients an anchor of hope that secures them against the chaos. Our life-affirming services inform them of all of their options to help them feel less trapped and more confident. They get to meet the little life who is eager to join them on their voyage through our ultrasound machine services. They become equipped for their journey ahead by participating in our classes and receiving supplies. Those who are still haunted by previous storms find healing through our post-abortion counseling services. We share with them the ultimate hope who wants to guide them through all of life - Jesus Christ.

We couldn't meet these people where they are without God's grace and your support.
THERE ARE SO MANY WAYS YOU CAN BE A PART OF THIS MINISTRY:

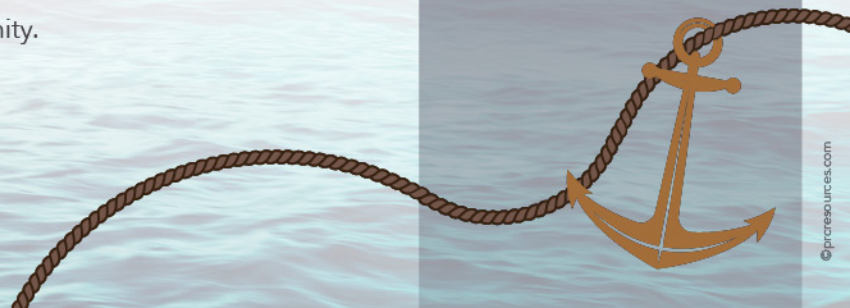

- **VOLUNTEER** - Don't worry, we will train you!
- **BECOME A FINANCIAL PARTNER** - Any gift is welcome.
- **DONATE SERVICES** - Make a difference through your talents.
- **BE A CHURCH LIAISON** - Help us shine in your community.
