

# Refiner's Fire

*"Count it all joy, my brothers, when you meet trials of various kinds, for you know that the testing of your faith produces steadfastness. And let steadfastness have its full effect, that you may be perfect and complete, lacking in nothing."*

*— James 1:2-4*

## WALKING THROUGH THE FIRE

---

Nothing could have prepared us for what this year would hold. Everything we have considered normal has been turned upside-down. The Refiner's Fire is not a pleasant place to be. But we know God's plan for us is better than anything we could come up with on our own.

As God refined our hearts and softened them to conform to his will, we have seen Him work in ways we cannot explain. What should have been a time of sorrow has been a time of overflowing joy in the midst of tears. By His grace, we have shared the truth of God's word with those who are walking through fires of their own.

New ways of ministering to our community have allowed us to reach more hurting hearts than ever before. Men and women who needed material assistance or wise counsel did not go without – even when it looked like we might have to close our doors. Join with us in praising God for his sovereignty and love!
