Life is a Gift!

A baby's first birthday party is a celebration - completing a whole year of life is quite an accomplishment! We want every baby to be valued and appreciated, because life is a gift.

When a pregnancy is unexpected, it can be difficult to see the new life growing in the womb as a gift. Plans will change, preparations will have to be made, and life will look different for the parents of a new baby. We want to help women and men see the beauty and joy in a new life. We want to be there to walk with them, answer their questions, and help them see the many reasons to celebrate the new life God has gifted them.

You can help your local center as they seek to show love to women and men facing unexpected pregnancies. Here are some ways you can help:

- Volunteer your time!
- Give financially to support their programs.
- Pray for them as they encounter women and men who need to know about true hope and joy.
- Participate in fundraising events to benefit the center.
